

THE BUZZ

Nonprofits Say

"These volunteers provided a level of professionalism to our organization that we could not have achieved otherwise."

"(The volunteer) is so competent and passionate. We are lucky to have her input and creative energy."

Volunteers Report

"The project made me grow, professionally and personally. I had challenging work that I felt good about — a great experience!"

"(The project) was different from anything in which I am customarily involved. . . a chance to apply my professional skills in a novel way."

"I can't speak more highly of the professionalism and the supportive nature of the office staff and the process itself. I would recommend this to anyone who wanted to do volunteer work."
